

REMARKS

In the above referenced Office Action, the Examiner required an election of any one species or one set of the same species in Figures 3 to 5.

In response, the applicant elects claims 50-55, 57-74, 76 and 77 (directed to Figure 3) without traverse. Non-elected claims 56, 75 and 78-83 have been withdrawn without prejudice to consideration of these claims upon allowance of a generic claim, or pursuing these claims in a continuation, divisional, continuation-in-part or other application.

Upon allowance of any generic claims, applicant requests consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

No fees are believed due with this communication. However, the Commissioner is hereby authorized and requested to charge any deficiency in fees herein to Deposit Account No. 50-0665.

Respectfully submitted,
